Dear Merchant,

The SBA recently released the awaited information and guidelines for the next round of PPP funding. While new information is constantly being provided and updated, please find below some useful links and documents on the programs.

Note there are different forms, requirements and application acceptance dates whether you are a first or second draw business.

Small Business Administration (SBA) Paycheck Protection Program Information: <https://www.sba.gov/funding-programs/loans/coronavirus-relief-options/paycheck-protection-program#section-header-0> Please note, this website provides translations for all of the forms and documents.

First time borrowers: <https://www.sba.gov/sites/default/files/2021-01/Top-line%20Overview%20of%20First%20Draw%20PPP%20%281.8.2021%29-508.pdf>

Second time borrowers: <https://www.sba.gov/sites/default/files/2021-01/Top-line%20Overview%20of%20Second%20Draw%20PPP%20%281.8.2021%29-508.pdf>

It is imperative that you reach out to your lender and begin this process as before, the funds are limited. This program can be a completely forgivable loan if the money is used for certain business expenses, improvements, payroll, etc. It was designed by the government to help you during these times but to not hinder you in the future.

If you don't have a bank contact, please contact A10 and fill out the inquiry form [HERE](#).

We will continue to update you as we hear information.

Sincerely,
