Our Tenants and Our Customers

Dear Merchant,

There are still numerous programs available to help your business recover from the financial impact of the COVID-19 pandemic. We encourage you to look into all of the below resources.

The American Rescue Plan Act established the **Restaurant Revitalization Fund (RRF)** to provide funding to help restaurants and other eligible businesses keep their doors open. This program will provide restaurants with funding equal to their pandemic-related revenue loss up to \$10 million per business and no more than \$5 million per physical location. Recipients are not required to repay the funding as long as funds are used for eligible uses no later than March 11, 2023. Applications are available NOW, [CLICK HERE](#) for details.

The Paycheck Protection Program (PPP) **deadline for applications is May 31st, 2021**, [CLICK HERE](#) for more information. If you have not applied, we encourage you to do so. If you are having problems with your bank, A10 Capital has been able to facilitate many tenants with securing PPP funding. [CLICK HERE](#) for A10 contact information.

Our team has done copious amounts of research to gather a list of grants that are available for your businesses. These grants are both national and local, based on where your business is located, please go to <https://www.newmarkmerrill.com/covid19-resources> for a complete list.

If you have any questions, please do not hesitate to reach out to myself or your property manager.

Sincerely,
